

AIR CONDITIONING • HEATING • INDOOR AIR QUALITY

## Keep Your Cool

### Avoid getting caught in the heat!

Get a **House Pro 15-point spring air conditioning maintenance inspection**. You'll know exactly what's working and what's not — before the mercury hits 90.

On average, Fort Bend County temperatures linger above 90 for nearly three months each year. With humidity, it feels like 110! If your air conditioner has **NOT** been properly maintained, you're sure to develop problems exactly when you need it most. Plus, regular maintenance keeps your energy costs in check — so you save money and stay comfortable.

Act now and enjoy a price break.

**STAY COOL**  
**PRE-SEASON OFFER \$49.95\***

**15-point Maintenance Inspection**

Regularly \$69.95, Promo Code HP005
